

2021 SENIOR SHOWCASE INFORMATION

Due to the COVID-19 Pandemic, the CSOYO was unable to host our annual Concerto Competition this season. However, we would still like to give our Seniors a chance to share their solo talents with the YO Family. We are inviting all 2020-2021 Season CSOYO SENIORS who are in their last season with us and will be graduating, to sign up for our 2021 Virtual Senior Showcase.

The Showcase will consist of performances that are recorded individually by the musician and posted in a gallery on the CSOYO website in mid-April 2021. The gallery will be available for viewing for approximately 30 days. Musicians can record performances on their own, in their own locations using their own equipment, or they can make an appointment to record at First Christian Church with the assistance of Mr. Sandoval.

PROGRAM DETAILS:

1. Musicians can perform a concerto, etude, sonata or any other type of solo piece that is **10 minutes or less in length**. Musicians are responsible for paying for any performance/streaming rights required prior to the performance. If a piece is in the Public Domain, no payments are necessary. Mr. Sandoval or Ms. Pearson can help you determine what rights need to be paid – just contact them if you need assistance. If the piece has accompaniment written for it, it should be performed with accompaniment, and the musician must make arrangements and pay for a pianist.
2. Musicians must submit to the CSOYO for approval by **Feb. 5, 2021**:
 - Name, instrument, YO Orchestra
 - Name of piece and composer
 - Permissions required to perform (including livestreaming or online for 30 days)
 - Name of accompanist if needed
 - Request for recording appointment if needed
3. Recordings should be made and shared/submitted to the CSOYO Manager by **NO LATER THAN April 1, 2021** to allow time for editing and posting.

This program is completely optional for CSOYO Seniors but we would like to recognize as many talented young musicians as possible before they leave us. If you have any additional questions, please let the CSOYO Manager know. Thank you and we hope you will join the Showcase!
